Township resident Dave Kopp asked to discuss two water bills with the Supervisors. He told the Board that he spoke to Doug Rice and asked him to disconnect service to the property at 1174 Route 588 prior to him purchasing the property. The Township office was never made aware of the request and the water was never shut off because they could not locate the curb box. Mr. Kopp requested that the Supervisors waive the two month bill which he receive after purchasing the property that had a balance of \$14.00. Supervisor George explained that without ownership of the property he could not legally request shut off. Supervisors Dambach asked the Board to split the bill with Mr. Kopp, after which time Mr. George stated with balance of only \$14.00 it would not break the Township or Mr. Kopp. The Supervisors agreed to dismiss the \$14.00 balance. Mr. Kopp then questioned a water bill for 1177 Route 588 for \$7.00. He took ownership of the property on the 17<sup>th</sup> of December and felt he should only owe a partial months water. Supervisor George explained the \$7.00 charge is the minimum charge for water. Mr. Kopp stated he would pay the \$7.00 since he was relieved of the \$14.00 charge.
